

Jurassic Secret's Daytime Face Cream is excellent for wrinkles, age spots and skin discolorations- especially useful for dry, thinning skin. The primary base ingredient, **emu oil**, has been found to be effective for many skin related uses. This product is safe to use all over, including puffiness and darkness under the eyes, the eye-lids and even the age spots on the backs of the hands.

Directions: For moderate to heavy sun exposure, days spent out of the sun and as an evening moisturizer use our Moisturizing Face Cream.

Ingredients: water, **emu oil**, cetyl alcohol, glycerin, ethylhexyl methoxycinnamate, ethylhexyl salicylate, isostearyl isostearate, titanium dioxide, polyacrylamide, C13-14 isoparaffin, laureth-7, dimethicone, carbomer, triethanolamine, caprylyl glycol and phenoxyethanol.
